Old Business & Reports – None

Business & Reports

May Schooling Show:

- We need a volunteer coordinator to ensure that all of the volunteer positions are filled and that the day of the show is available to coordinate the volunteers.
- We also need to fill the volunteer positions for a Cross Country Steward, Dressage Steward and someone to oversee Food & Hospitality. Someone suggested Sue Basham as a good candidate for Cross Country Steward.
- Jay is planning on being the EMT for the show. This is contingent on him not having to work that day.
- The entry form is online. As entries come in the checks will be cashed every couple of days
- Bitsy will work with Sue to come up with judges for the show

August Recognized Show:

- The judge for the show will be Debbie Rio Rodriguez
- The TD for the show will be Ann Marie
- We will be requiring competitors to provide one check per entry
- We missed the discount on the awards. The deadline for the discount was February 15th. It was suggested that we pre-create agenda templates for each of the months and populate them with known agenda items that we need to discuss for that month. For example, always discussing awards on the November agenda. Tory will order ribbons and awards.
- Bitsy will talk to Chris about food for the show.
- The program needs to be put together a month early with the exception of the ride times
- Julie will start fundraising
- It was discussed that we need an assistant show manager and secretary. These roles would assist Bitsy and Veronica and learn the duties of these positions. Taking on the assistant positions would not obligate the person to become the secretary of show manager in future years.

Other

- It was suggested that at the next meeting Bitsy and Veronica talk a little bit about their roles at the shows and what they enjoy about them.
- It was suggested that we can show Robert Vavra's video "Such is the nature of the horse" as a future program.

The next meeting will be held on March 17th at Allison's house. Julie & Wade Daniels will be co-hosting.
