### Recognized Show Business

Discussion of pros and cons of cancelling the recognized dressage show due to few entries

- a) Should we cancel if we lose more than \$2000?
- b) If we cancel, we may not be able to get it going the year after
- c) Since we have collected peoples' entries and money, should we carry on in good faith?
- d) Many shows in California have low entries

The Haugens have said they will add 21 rides (Tory telephoned to confirm that entries were in the mail – they were). The Haugens suggested that CDED contact the secretary of the Autumn Hill show (Heather Peterson) to request that she refer her wait-listed entries to our show

We decided to proceed with our show.

Arena set-up will be Friday, July 31 at 6pm.

We need more volunteers for warm-up steward, parking, dressage steward, office help.

Tory will follow up with Suzie Stoltz re: catering; Tory will get the temp. food permit and try to arrange for more volunteers.

Terry will talk to Tony at A&C Feed about donating the delivery fee for shavings.

Bitsy has arranged for EMTs and has walkie-talkies.
