

## **Minutes of the CDEC Meeting, 5/17/2018**

Attendance: Diane Wenzel, Sue Basham, Allison Murphy, Becky O'Leary, Terry Whitenight, Cheryl Mair,  
Guests: Glenna Hansen, Cheryl's mom - Mary

Meeting called to order at 6:32 by president, Diane Wenzel.

### **Old business:**

Minutes from April meeting were approved; Becky moved and Allison seconded.

**Treasurers report:** Sue G not present but she supplied a full report . Our checking account total is now \$9,060.69. Sue G and Kim G made the approved signature changes to the bank account.

### **Schooling show and Open Dressage Show update:**

The schooling show is not on the Western Dressage site yet, reported Diane. Due to a computer glitch, Mike has lost the prize list and he will need to resubmit.

Sue has all notifications completed for insurance on the shows.

Allison reported that she has been contacted by a few potential entries, who voice that it was difficult finding the show information on our website. It is not the first listing under "Events." Diane will contact Christy, our webmaster, and ask her to put the show first. Allison also suggested that we have a "show info tab", and have a fillable entry form on our site. Good ideas that we will discuss more in the future. Also, Mike has our club acronym as CDED on the RMDS website, which needs to be corrected.

Diane has contacted Gardening with Altitude about lending us the shrubbery for the arena. They are happy to accommodate our club.

Becky will supply the flowers for the tops of the letters.

Kim G is working on the program, and also she is still collecting items for the silent auction.

We have quite a few volunteers lined up, but could always use more. Contact Diane if you would like to help in any way, even for a few hours.

Becky is making name tags for volunteers to wear to be more visible.

**Set up for the show will be on Thursday, June 7th, starting at 1:00.** We have to be done by 4:00 when the LCCC staff leave for the day, or we will be charged extra.

Allison made the suggestion that we look into grants that might be available to our club, to help fund the show. We should contact the Laramie County Recreational Board and Visit Cheyenne to check the possibility.

Diane brought a friend to the meeting; Glenna ????? .She makes beautiful jewelry and asked if it would be okay for her to set up a table. We voted that "yes", we would allow her to do that. (Kim, I neglected to record who motioned and seconded, but all present agreed.) Glenna has experience with scribing, and offered to help out where needed.

**Summer BBQ:** Bill and Sue suggested that we hold it in August at their home. We agreed that would work for the club.

The next meeting will be held on June 21st, tentatively at Kim Giffin's home.

There will not be a meeting held in July.

Thank you Allison for hosting the May meeting and allowing us to raid your bar.

***Respectfully submitted by Becky O'Leary, in Kim Giffin's absence.***
