Additions to Agenda:

Vaccine Discussion

- The new rules for vaccinating horses for rhino and flu were discussed. You must have proof that your horse has been vaccinated if showing at recognized or some schooling shows. There are procedures in place if you vaccinate your own horse but it is probably worth it to have the vet do it if you are actively showing.
- If you are showing be sure to know the requirements.
- The idea was proposed of having a vaccination clinic to help everyone get the vaccinations they need. Also talked about planning this for next year.

May Meeting Minutes:

- Julie will be gone and needs someone to volunteer to take the minutes. Kim volunteered to take the minutes.

Next Month's Program:

Skip Ransom, Equine Rehab – Starts at 6:00 PM

- No food will be served since the meeting/program will be in the arena. If you feel like eating, bring something to snack on.

Announcements

- Sue offered to organize everyone who is interested in doing the endurance ride at Sybill canyon and hosting an informal clinic on what to expect at an endurance event prior to the event. The event is over the 4th of July weekend.
- Julie & Sue offered to organize a ride and tie to help everyone get in shape and motivated to ride

Please remember to send in photos and/or inspiring or amusing quotes for posting on the CDEC website. Email them to club president Becky O'Leary (Rebecca.oleary5@gmail.com) and she will organize them for the webmaster.
