New Business- Veronica had a good report about the CDEC website. She will post Google Analytics so we can see how much traffic our website is getting. Most traffic seems to be coming from Google searches. She will set up reciprocal links with sites that link to ours. Julie reports there are 13 members of the CDEC facebook group.

Old Business-Upcoming Shows. Decision made to allow Western riders in Training Level tests at the Schooling show. We are still looking for caterers for the Schooling and Recognized show. We also need donations for prizes at the shows. If you have any appropriate items to donate as possible prizes for the show, please let us know.

There was discussion of importance of sponsorships. We need sponsorships for both shows. *****If you can help with either the schooling show or the recognized show in any way, please contact Bitsy Heckert.*****
