At this time, it is appropriate to be cognizant of proper hygiene and incorporating common sense actions into your everyday activities in order to prevent the spread of this virus. Practices such as regularly washing your hands with soap and water or an alcohol based hand sanitizer; practicing good sneeze and cough hygiene; avoiding touching your mouth, nose and eyes with unwashed hands; avoiding close contact

with people who are sick; and disinfecting and cleaning often touched objects and surfaces can help reduce your risk of exposure. We will have several sanitation stations on the grounds.

Any person who has a temperature of 100.4 (F) or higher, has symptoms of COVID-19 or has tested positive for COVID-19 within the last 10 days cannot enter the competition grounds. The Technical Delegate must report instances of non-compliance to the Federation.
