Program: Sue Gentle gave a very nice program of a German Oldenburg Stallion inspection – it was fabulous to see all the different Stallion exhibitions in driving, in hand, under saddle, dressage, jumping, games etc. Thanks for sharing!

Classified and Needs Column:

.....

Please feel free to email me your items for sale or donation or if you need something specific. If you also know of schooling shows or clinics this would be a perfect venue for them as well.

Saddle and boots for sale:

2 pairs of women's black traditional English riding boots to sell. One pair is about an 8.5 and was only worn a few times to show, I would take \$40. The other pair is a 9/9.5 and has been worn more and look nice still, I would take \$25. Both would be great for someone not wanting to spend a lot of money on boots.

The dressage saddle I have to sell is in very good condition & looks nearly new. It is a County Competitor 17.5" seat. I think it would be considered black. There is a small scuff on the cantle, but otherwise looks & feels great. The leathers, irons, girth, pad & storage bag are included. I am asking \$580 for it. **My info is:**
