New Business-Discussion about what we (the members) want from CDEC and what we like about it. Reasons included: meeting other like-minded horse people, the programs at the meetings, participating in the schooling and recognized shows (as a volunteer and rider). It was decided to send out a survey requesting this information from all members.

Review of the by-laws will take place at the end of the year.

Decision made to discontinue the door prize at meetings.

Connie from The Tack Room in Laramie would like to be a vendor at the recognized show in August. This is approved and she can set up her shop in the same area she did last year.

Wyoming Horse Council sent CDEC a membership renewal request. A motion was passed to renew membership.

Old Business-Discussion of the importance of club volunteers. Sponsorship forms for the CDEC shows were distributed.

Treasurer's Report: No major transactions since last meeting. A few more dues collected. Checking account balance still around \$1000.

After going over the items in the list, members participated in additional brainstorming.
