New Business

Treasurer's Report - Sue Gentle reported the checking account balance is \$8,779.66 There were some website expenses for the month and all income was from club dues.

Ride-a-Test – Jane Ringolsby will handle the scheduling for the ride-a-test. Becky O'Leary will organize the tests. Bitsy Heckert is planning on scribing and when the mention was made that we need another, Angie Cover volunteered. Sue Gentle recommended that Becky contact Deeda Randle to get the eventing dressage tests.

Recognized Show – June 6-7, 2015 As of the time of the meeting the Prizelist for the show was not up on the Two White Feet website. Becky passed out Sponsor sheets to all members. Please get a sponsor or two to help financially support the show. A call was put out for a volunteer to pick up plants and shrubs from Riverbend Nursery and deliver them to LCCC on the Friday before the show. Angel volunteered to take care of this.

Club Inventory- An email was sent out to find out what members have club property in their possession and where various items are. The results:

At The Gentles:

The dressage arena

The arena letters

Meter tapes-2

White tables-2

The treasurer's records.

At Riding Club Arena:

Numerous club show jumps

(Wing standards, natural rails)

Jump cups.

At Jane Swanhorst's:

Judge's stand

30 cup coffee pot

XC jump flags and jump numbers

At Laurie Box's:

Show ribbons

Prize glasses

Box of office supplies

Printer

Old dressage arena letters

The "Tack Garage Sale" was discussed. Sue mentioned coordinating this with Pony Club. June 13th (Saturday) is a possibility. The details are still being worked out but a possible scenario is each person bring the items they want to sell in their horse trailer and everyone handles their own sales. It would be beneficial to place ads in the Trader's, put up flyers in feed stores, veterinarian offices, etc.

Schooling Show- Sept 26th – to be held at Ringolsby's. Additional discussion about making this a three phase event. It was decided that the first line of business is to get the jumps from Riding Club Arena where they are now and check out quantity and condition of the jumps. Bill volunteered to determine a time to get the jumps and will put out the word for some help. The “program” of the April meeting will be inspecting and fixing the club jumps and determining if they will work for the schooling show.
