New Business- Cheyenne Dressage and Eventing Club now has a Facebook page. Please join if you are on Facebook. It is a good source of club information and members share other items of equine interest. We discussed potential programs for future meetings. Our April meeting program will primarily be focused on organizing our schooling show and planning programs for the rest of the year. Our May meeting will be held on Thursday (May 20th) and start at 6 pm at the Gentle's to set up arenas and cross country course for the schooling show.

Old Business- Discussion of the importance of club volunteers. Sponsorship forms for the CDEC shows were distributed. Becky O'Leary agreed to coordinate sponsorships to insure we don't duplicate our efforts. *****If you can help with either the schooling show or the recognized show in any way, please contact Bitsy Heckert.*****
