Business Meeting

Old Business

April 2015 minutes were approved.

Ride-a-Test- It was held on the only sunny day in the past few weeks and was a success. It brought in a profit of \$53.08. Thank you Jane, for holding this club activity at your arena!

New Business

Treasurer's Report - Sue Gentle reported the checking account balance is \$9212.74. Expenses- various fees and Ride A Test expenses. Income- sponsorships for recognized show.

Recognized Show – June 6-7, 2015

2 White Feet (Heather Petersen and Jon Haugen) is handling the show management. The Prizelist is up on their website and registration can be done online. Please go to 2whitefeet.com to volunteer for the show. You can sign up for specific days/times and duties there. You will receive email confirmation of your sign up.

Heather reported :

- At this time, we have 20 horse signed up for the show. The show has only been open for registration for a week and numbers are expected to be good.
- Travel plans and accommodations for the judges and TD are all confirmed.
- Heather discussed a Pony Club fundraiser with Allison Murphy. Pony Clubbers could strip stalls at the show for a fee that would be split with CDEC.
- Shavings will be provided at no cost with a \$5 delivery fee.
- She will be at LCCC in the show office by 9 am Friday if anyone wants to bring anything for the show.
- Runners, gatekeepers, etc can all be signed up for on the 2 White Feet website.
- She will do the program for the show and has exhibitor bags to donate for use (leftover from Paragon).
- She will get bottles of water and various other treats for the office.

Plants for the show need to be picked up at Riverbend Nursery early Friday. Becky O’Leary is covering this.

Arena set-up will be by 9 am so riders can school their horses after noon on Friday. Diane Wenzel is lending her truck and flatbed trailer for this purpose. Jeff Bostron will coordinate delivery of the arena.

Caryn and Jeff have large water coolers to bring to the show.

Laurie has given 3rd, 4th, 5th, 6th place ribbons, office supplies, and Walkie-talkies to Caryn to take to the show.

Sue and Heather will work financial arrangements to get vendors and High Score cash prizes to be paid at show’s end.

Ruth and Deeda will put together welcome bags for the judges and TD. Grace will make the bags for this purpose.

Silent Auction- Caryn Malone is handling this event in conjunction with the Recognized Show. Please let Caryn know if you have an item and plan to get it to her prior to the show. We have 15 items so far.

The “Tack Garage Sale” has been cancelled. We have no support from Pony Club for this event and an even bigger issue is coverage under the club’s insurance policy. The insurance company will not cover this event in the case of defective tack purchased at this sale and later causing an injury. It was decided that this was too big a liability for the club or any individuals to cover. If you are interested in selling any of your used tack, consider sending it the information to be posted as an ad on the CDEC website.

CDEC Website- There was discussion about any options we may have if Veronica Harris decides she can no longer maintain the site for us. She is moving in the near future, but as of this time thinks she can still volunteer to handle this for the club.

Pony Club requested the use of the CDEC arena for their Rally June 19-20. This request was voted on by email by the CDEC Board and passed in the affirmative with a 4-1 vote.

Post show barbecue be held June 17th. Sue Gentle volunteered to have it at her place and will provide plates, cups, utensils. Laurie Box agreed to bring the brisket and all other members are to bring sides and desserts. Bring your own beverages. RSVP to Sue at 634-1743 or sbgentle@hotmail.com by June 14

Schooling Show- Sept 26th –no updates at this meeting
